

# NACMA

NORTH AMERICAN COORDINATE METROLOGY ASSOCIATION

**2010 ANNUAL WORKSHOP AND CONFERENCE**  
**04 - 06 AUGUST 2010 MINNEAPOLIS, MINNESOTA, USA**

**About NACMA:** The NACMA specifically addresses coordinate metrology through workshops and conferences each year, providing one of the largest annual meetings for dimensional metrologists. 2010 NACMA officers include members of three national laboratories—[NIST](#), [NRC](#), and [CENAM](#)— and [IIGDT](#).

**Sponsors of NACMA:** Sponsors of the NACMA support an important educational and outreach program while networking with hundreds of dimensional metrologists focused on coordinate metrology. [Click here to become a NACMA sponsor!](#)

## NACMA Exhibitor Information

Total exhibitor spaces available are 13 so only the first 13 sponsors with exhibitor level benefits will be allowed space.

The NACMA workshops and conference will be held in “The Griffin Auditorium” at Medtronic and the area the exhibitors will be set up is just outside the Griffin Auditorium which is fabulous. The exhibitor space is along the perimeter of a circular room. Each exhibitor will have approximately 9 linear feet of wall space. Exhibits should protrude out no more than 6 feet from the wall. A 2' x 6' covered table with chair will be made available.

Electrical connections will be limited to 115 volts up to 15 Amps. Exhibitors must bring an extension cord (50' recommended) and power strip. All portable cords must be the three (3) wire grounded type per the National Electrical Code. The NEC requires that all exposed non-current carrying parts of equipment, which are liable to be energized, shall be grounded. Portable cords must be rated for the current they are carrying. Cords made of lamp cord (zip cord) are not permitted.

Setup of all exhibitor areas “with equipment” must be complete on August 3, 2010. Access to the building will be available only between 1pm and 4pm unless other arrangements are made. Exhibitors with no equipment can get set up on the morning of August 4<sup>th</sup> but must be set up prior to 8:00 am.

All exhibitors must schedule their drop off time in advance with:

Audrey Kangas, Meeting & Event Planner  
e-mail: [audrey.kangas@medtronic.com](mailto:audrey.kangas@medtronic.com)  
Phone: 763-514-2475

Exhibitors need to provide Audrey with their contact name (person who is dropping off the equipment), Company/Vendor name & a cell phone number where they can be reached.

For additional questions contact:
